Apply for ECF 2027

European Creative Futures

5 ECTS • International experience • Entrepreneurship • Networking

31 Jan - 6 Feb 2027 | Lahti, Finland

What?

Build your future with students from across Europe. Join an intensive international BIP programme where students from different disciplines collaborate, solve challenges, develop business ideas, and build lasting professional networks. You'll work alongside students in design, business, technology and other fields while gaining practical entrepreneurship skills in a truly multicultural environment.

Why Join ECF?

International
Work and socialize with students from five European universities.

Entrepreneurship
Explore branding, marketing, communications, finance, business planning and networking.

Professional network
Create valuable connections with future professionals from across Europe.

Earn Credits
Receive **5 ECTS** that may replace a business course. Confirm suitability with your tutor teacher.

Who can apply?

LAB Bachelor's students (primarily years 2-4)
LAB Master's students
